

THRILLING GUESTS ACROSS THE GLOBE

HOLLYWOOD • ORLANDO • JAPAN • SINGAPORE • BEIJING

THIS IS UNIVERSAL

An idea sparked on a Hollywood backlot over 100 years ago has grown into a worldwide entertainment phenomenon—thrilling guests and igniting imaginations every day in every corner of the world.

In 1912, Carl Laemmle combined five feature film companies to create what would become Universal Pictures. But his vision included more than what was happening in front of the cameras. Inspired by the passion of movie fans clamoring to see films being made, he invented the original Studio Tour—bringing folks behind the scenes and into the world of entertainment for the very first time.

Today, Universal Parks & Resorts welcomes guests around the world to experience epic stories and exhilarating adventures in astonishing and immersive new ways. With innovations inspired by some of the most creative minds in entertainment, including three-time Academy Award winner Steven Spielberg, Universal's theme parks are where amazing technology, cinematic greatness and sheer ingenuity come together to bring guests inside the world's most loved stories.

These are the most jaw-dropping. Heart-pounding. Heart-warming. Eye-opening. Completely amazing places on the planet. Welcome to Universal Parks & Resorts.
